STORING

Bring Your Cotton To Us For BETTER GIN SERVICE

Expanded Storage Facilities

Recent expansions and repairs in our warehouses have doubled the storage capacity. Your cotton will be safe from the weather and elements in our warehouse. Reinforced walls and roof repairs have given us one of the best storage places in this part of the state. Take advantage of these facilities by having your cotton ginned here.

Improved Equipment

During the summer months we changed our ginning equipment from steam power to electricity and put in an en-tirely new gin. This improved equip-ment along with our experienced men handling your cotton, insure you of the best ginning service. We are now ready to gin and store your cotton. Your business will be appreciated. For better and faster service, come to Mor-

NEARING COMPLETION

Alan Ladd John Derek

The new Emergency Aid Funeral Home in Elba is rapidly nearing completion. Soon the facilities of this modern funeral parlor will be put at the disposal of the community. Included in our building are a chapel that will seat 100 persons, an organ for music and air conditioning in the downstairs. These facilities and services will be available to everyone in the community at a moderate cost. But by taking out an Emergency Aid Burial policy now, you can assure yourself of complete and dignified services without any financial complications at a time of sorrow. Investigate the advantages of our low cost policies. Your friends and neighbors at the Emergency Aid are ready and willing to serve you now and in your hour of greatest need.
